

Operation Bear Care

Bringing Joy + Hope to our Community's Hospitalized Youth.

Overview

A donation plan in which we will be providing a teddy bear attached with a personalized message to each of the patients of Children's Hospital in Oakland to let the kids know — the community cares about our children and their wellbeing.

How can you help?

We still need donations to fund this year's benefit. Any size contribution you make will be greatly appreciated. All of your donation will go directly to the benefit. The cost of one bear and it's personalized message is \$31.00. Anyone who donates \$31 or more will receive a "thank you" letter in the mail along with a copy of their bear birth certificate. Thank you in advance for your kindness and generosity!

If you would like to "buy a bear" or make a donation, you can make a contribution directly to one of our volunteers or visit us at
